## Are You NUTS!?!?

No matter what you think of the idea, thank you for taking time out of your day to drop by my web site and pick up a copy of the music I've worked so hard to create. I'll just say it now...it's one of the best feelings in the world to have what I do be appreciated and liked (or even *loved!*) by people. So, again, I appreciate you stopping by and taking a listen.

Now let's get to the point. I know what you're probably asking. "Mike, why work so hard on something and give it away for FREE?! You should be making money from the hard work you do!" Well here it is ladies and gents: I DON'T CARE! Music is as necessary to me as it is to the next person. It's in my veins, it's on my mind, and it's there all the time. If I never make a dime, I'll never stop writing and singing songs. The bottom line is I can't. Can you think of something else in life that strikes every single chord of emotion, can make you cry and laugh, feel sad or mad, or sometimes just put you to sleep (which is not always a bad thing!). On a cheesy note, life without music is not life at all. It's boring. Everyone needs music.

Having said all that, I am offering all of my music on a "**Pay What You Want**" basis, only because no barriers should ever come between a person and music. **Spread the word!** Tell your friends, your parents, your crazy uncles and aunts, your boss, or your imaginary girlfriend/boyfriend we all pretend to love to keep you sane. No one can turn down free stuff, right? So take it. It's there. For you. For everyone. No strings attached. Your fulfillment and enjoyment is more than any monetary compensation I could ever receive. **Pay only if you want.**

I appreciate every one of you who has ever even made a passing glance at my music. You're the engine of this machine. I am simply the gasoline. The fuel to your fire. I cannot begin to express the gratitude I feel for you. Enjoy the music and, in the words of Garrison Keillor, "Be well, do good work, and keep in touch." I'll wrap this up with a humble "**Thank You**". Let's keep this rolling for a long time to come.

Humbly,  
MD

P.S. – Please browse over the other information in this document. Other ways of support – listed below – are also greatly appreciated. They will only steal a few more minutes of your time but they mean the world. The sum is only as great as its parts, and these seemingly little "parts" help out a lot!

## How Can I Help?

### Donations

As much as I would love for it to be, free music does not mean it comes without expenses. The only way I can continue to offer music free to the world is contributions from people like you. If you're one of those who are able and willing to contribute, you are very much appreciated. Every little bit helps. (Honestly, there is no such thing as a "little bit", it's all

huge in my mind!!). In case you're curious, here's a list of things that your contributions will be used for:

- » Recording/Production
- » Tour Expenses (food, gas, promotion, lodging, etc.)
- » Promotional Materials (flyers, posters, etc.)
- » Equipment Fund

If you're interested and would like to contribute or ask any questions regarding your contribution, please email Mike at [m.dean51@gmail.com](mailto:m.dean51@gmail.com). Someone will be in touch with you as soon as possible. Also, let us know whether you want to contribute towards something specific. Here's how to contribute:

- 1) Visit [www.michaeldeanmusic.com](http://www.michaeldeanmusic.com)
- 2) Click on **"Support"**
- 3) Click on the **"Contribute Here!"** link. From here, you will be redirected to PayPal where they will walk you through the rest of the process. It's very simple.
- 4) Remember, just **Pay What You Want!**

### **Support on the Web**

This is the easiest way for ANYONE to show their support. It's quick. It's easy. It's like...well, nevermind. Just follow the links below to become a fan on MySpace or Facebook and follow me on Twitter. I don't think many people realize how HUGE online support is. You know how a YouTube video can span the seven continents in less than 24 hours? That's the kind of HUGE I'm talking about. You become a friend on MySpace and add one of my songs to your profile, other people hear it, they become a friend, do the same thing...you get the idea. It can spread like wildfire! Thank you so much!

### **Join the Mailing List**

One other thing you can do is join my mailing list. Just visit [www.michaeldeanmusic.com](http://www.michaeldeanmusic.com) and sign up on the home page. This enrolls on the list of people that get emailed with updates, events, other happenings, and any other cool things we can offer you in the near future. I hope you take the time to complete this very simple form of support. Thank you again.

**Any Questions? Email Mike!**

**Thank You!!**
